

# OFF-THE-BEATEN-TRACK ENGLISH

Name: \_\_\_\_\_

Create a cipher code (example: *Caesar Cipher*, 3 letters back so A would be X), then write a message in English of at least 15 words to a family member. Ask them to unlock the code and write below the decoded message themselves. *Optional*: ask them to translate the message into Romanian, German or French.

Coded message: \_\_\_\_\_

Decoded message: \_\_\_\_\_

Translation of the message into:

- Romanian
- German
- French

(tick the appropriate language).
